

INDOOR PARK

Ages 10 months to 4½ years

Active Play for your Preschooler

Did you know that active unstructured play helps preschoolers learn, grow, and sleep well? It also builds motor skills, and confidence. Your preschooler will gain independence and coordination in our informal play session with other children and families. What are you waiting for...drop-in to Indoor park and let your preschooler explore and play!

Come and experience our indoor park, a traditional outdoor playground brought inside. On Tuesday, Wednesday, and Thursday mornings (see schedule), play with our toys, balls and playground equipment in a dry and safe environment.

Parents are required to supervise their own children at all times (maximum of three children per adult). Cost is **\$2 per visit for the first child and \$1 for each additional child as the "drop-in" fee, or buy a 10-visit pass for \$15.**
